EL-DS-H002

Serial No. :Not Applicable

Description :Distributor (splitter) for HDMI, DVI, VGA and SDI signals  
with one input and more than one outputs

## APPLICABLE STANDARDS

Looking at test reports provided by Smart Cabling & Transmission Corp. (see below), as European Authorized Distributor, Elpro Video Labs declares that the above mentioned equipments comply with the requirements set out in the Council Directive relating to Electromagnetic Compatibility (2004/108/EC) and with the amendments in the Council Directive 92/31/EEC, 93/68/EEC. For the evaluation of the mentioned Directives, the following standards were applied:

- 1) EMC Emission : EN 55022: Class B (1998)+A1(2000)+A2(2003)
- 2) EMC Immunity : EN 61000-3-2: 2006  
EN 61000-3-3: 1995+A1: 2001+A2: 2005  
EN 55024: 1998+A1: 2001+A2: 2003

## IN ADDITION:

- 3) The external AC/DC Power Supply meets, among others, the I.T.E. and EN 60950 directives.
- 4) The units are not made of materials that are hazardous or classified as toxic or harmful pursuant to European laws currently in force.  
CE Mark includes **RoHS2** (DIRECTIVE 2011/65/EU)
- 5) The units don't use cells or batteries inside (except for IR control, when provided)
- 6) Printed circuit board backing material is UL approved and has a flammability rating of 94 V-0
- 7) The products are manufactured in R.O.C. by Smart Cabling & Transmission Corp. under Elpro Video Labs approved specifications, imported and renamed by Elpro Video Labs srl
